

Ricoh Canada partners with FEI Canada to deliver a unique perspective on digital transformation

Ricoh Canada set to deliver thought leadership, experience and expertise to elevate the FEI Canada membership experience for senior finance leaders.

TORONTO, April 11, 2019 /CNW/ - [Ricoh Canada Inc.](#) announces its National Strategic Partnership with [FEI Canada](#) that leverages vast experience in digital transformation and innovation to support FEI Canada events, programming, speakers, peer networking and content.

FEI Canada is the leading voice and informed choice for senior financial executives across the country. With 11 chapters and over 1,600 members, FEI Canada provides professional development, networking opportunities, thought leadership and advocacy services to its members. The association membership consists of senior level financial executives spanning various industries, functions and disciplines, representing a significant number of Canada's leading and most influential corporations.

As a National Strategic Partner, Ricoh Canada is a preferred product and service provider of FEI Canada and uniquely qualified to share thought leadership and industry expertise to support Canadian finance leaders in driving progress, growth and material savings more swiftly and effectively across their entire organisation.

"FEI Canada is committed to supporting senior finance executives manage change, build relationships, and stay up-to-date on relevant information in an ever-changing marketplace. That's a commitment we share," said Eric Fletcher, Vice President Marketing, Ricoh Canada Inc. "Ricoh is built on the concept of 'imagine. change.' where we strive to create, deliver and manage an evolutionary approach to business processes that enables organisations to innovate and grow more efficiently and cost effectively. We are thrilled to partner with fellow visionary, FEI Canada, and contribute to their commitment to Canadian senior finance leadership."

Today's finance leaders are under more pressure than ever to accelerate business growth while mitigating risk and in this age of digital disruption, change is the only constant.

For the past 80 years, Ricoh has focused on innovation that transforms the way people work - both in the office and away. The goal has always been to envision what the future will look like to help prepare you for success. Today, that means empowering digital workplaces and helping remove obstacles to sustained growth by optimising the flow of information to increase workplace productivity.
